### **School Closure- Government Directive due to Coronavirus Pandemic- Update on Home Learning**

Dear Parents and Carers,

On behalf of all the staff here at Oswaldtwistle School we hope that you are all safe and well at this national time of uncertainty and worry.

We continue to be closed at school apart from a very small number of students. This is a very unsettling and confusing time for us all at the moment and we are all worried about the health and safety of our loved ones.

We as a school are following the government's advice to 'do our bit' to try and stop the quick spreading of this disease.

#### **Home Learning**

I have included as an attachment the guide to how we are going to manage your child's learning for the next few weeks.

Please follow the instructions to download Microsoft Teams to a tablet, phone or PC. It is free and quick to do.

#### **Free School Meals**

The government voucher scheme has been all sorted from our end at school, unfortunately there are delays with the system at the government end, I have no control over that. I am being assured that this will be sorted and all vouchers will be sent by the end of this week.

We all as a staff realise that this may be very difficult for you and your families to cope with, please call us if you need anything and we will do our best to help.

Take care in this difficult of times,

Anne Kyle  
Head Teacher
