

Term	Topic/Learning Pathway	Key Words	Links to previous learning	Links to wider curriculum
Humanities Curriculum started January 2024 – Spring 1.				
Year 7 Autumn 1 History	Migration pre-1066 to present Early Settlers, Celts and Romans Anglo-Saxons, Vikings and Normans Persecution: Jews, Roma, Huguenots and Palatines The 20th Century: The Commonwealth	Migration Persecution Commonwealth Conquest Empire Settlement Community Culture BC/BCE AD/CE	Year 3 - The Romans Year 6 - Vikings and Anglo-Saxons	CFL - Globalisation
Year 7 Autumn 2 Geography	Settlements, Population and Migration Map features/reading a map Factors affecting the site of a settlement Change over time - places Change over time - population Fact file: Local area Fact file: Megacities	Human Features Physical Features Location Population Village Town City Trade Urban Rural	Year 5 - Settlements	CFL - Communities Science - Earth's Structure Maths - Maps and Plans
Year 7 Spring 1 History	The Norman Conquest The lead up to 1066 and key figures The Battle of Hastings: the Bayeux Tapestry Norman Conquest: Castles and the Harrying of the North The Domesday Book Cultural legacy: language, governance, the Church.	Norsemen Normandy Anglo-Saxons Norman Conquest Invade Census Tax The Domesday Book Tapestry Motte and Bailey Castle	Year 6 - Vikings and Anglo-Saxons Year 7 - Migration	
Year 7 Spring 2 Geography	Globalisation (Geography of My Stuff) Connections across the World and trade Child labour and Fair Trade Virtual products	Exploitation Labour Sustainability Virtual Consumption	KS2 Fair Trade	CFL - Fair Trade, Globalisation, Brexit

	Is globalisation good or bad? Sustainability	Globalisation Transnational Corporations Industrialisation Fair Trade Revenue		
Year 7 Summer 1 History	Life in the Middle Ages The feudal system and Magna Carta Everyday life: clothing, housing, education, jobs and food. Crime and punishment The Black Death and the Peasants' Revolt	Feudalism Hierarchy Clergy Lords and Barons Knights Freemen Villains Wattle and daub Tithe Revolt	Year 4 - The Plague	CFL - First Aid Science - Organisms, The Human Body
Year 7 Summer 2 Geography	Ecosystems, Climate Change and Death by Geography What is an ecosystem? How has our climate changed over time and how has this affected the world's ecosystems? Climate graphs Case study: The Arctic Ocean Extreme events: volcanos, earthquakes, tsunamis, storms	Habitat Organism Physical environment Biome Ecosystem Climate Volcano Tsunami Global warming Extreme weather	Year 4 - Habitats	Science - Ecosystems, Climate
Year 8 Autumn 1 History	Medicine Through Time Medical Ideas in the Medieval Era Medical Renaissance of the 16th and 17th centuries Important People 19th century advances in medical knowledge Development of 20th century scanning techniques The discovery of DNA Genetic research in the later 20th century	The Four Humours Laissez-faire Dissection Penicillin Chloroform Quarantine Ligatures Miasma National Insurance Antiseptic	Year 3 - Healthy Humans	CFL - First Aid, Mental Health Art - Frankenstein
Year 8 Autumn 2 Geography	Economic Development, Quality of Life, and Our Divided World	Economy Poverty Rural Urban	KS2 Fair Trade Year 7 - Globalisation	CFL - Fair Trade, Globalisation, Brexit

	Measuring Development and global economic development trends In the UK: Links between environmental quality and crime Comparing the UK and the Middle East Comparing urban and rural Russia Comparing urban and rural China	Distribution Employment Development GDP Quality of life Standard of living		
Year 8 Spring 1 History	The Tudors The War of the Roses and Rise of the Tudors Henry VIII and the Break with Rome Mary Tudor and Edward VI Elizabeth I: Public Image, Marriage, and threats to her rule	Primogeniture Catholic Protestant Reformation Heir Divorce Annulment Heresy Monastery Ex-communication	Year 4/5 - The Tudors, The Transatlantic Slave Trade	Art - Woodcuts, Symbolism
Year 8 Spring 2 Geography	Weather and Natural Landscapes How the Earth has changed over time: Pangea, the Ice Age, ancient deforestation, modern deforestation (PROCESSES OF CHANGE) Types of Landscapes Weather vs climate Measuring weather Floods and storms	Climate Climate change Data Impact Deforestation Pangea Tectonic plate Geological Extreme weather Biome	Year 2 - Weather Year 7 - Ecosystems and Climate Change	Science - Climate, the Water Cycle
Year 8 Summer 1 History	Transatlantic Slave Trade Development of the Transatlantic Slave Trade Life on a Plantation Resistance and Rebellion Abolition and Key Figures	Trade Kinship Plantation Colony Enslaved Slaver Abolition Auction The Underground Railroad Branded	Year 4/5 - The Tudors, The Transatlantic Slave Trade	CFL - Human Rights Rights Respecting Schools

Year 8 Summer 2 Geography	Local Case Study: Burnley Pre-Industrialisation The Weaving Industry Philanthropy and Development Decline Current human and physical characteristics	Sources Plan Development Philanthropy Topography Canal Immigration Emigration Industry Scale	KS1: Local case study	CFL - Communities Maths - Maps and Plans
Year 9 Autumn 1 History	WWII Interwar years (including women's suffrage) and steps to WWII WWII - Allies and Axis, Key Figures WWII - Key Events The Holocaust WWII - Life in Britain	Suffragette Equality Democracy Ally Fascism Genocide Rationing Evacuation Treaty Armistice	Year 4/5 - WWII Remembrance Sunday activities	English - Good Night Mr Tom Cultural Studies - Remembrance Sunday Activities CFL - British Values Maths - Alan Turing
Year 9 Autumn 2 Geography	Africa and China - A Comparison Physical geography of West Africa Physical geography of China Nigeria as a newly emerging economy Natural hazards in both regions Urban and rural living in both regions The pros and cons of trade between West Africa and China (including environmental impacts)	Newly emerging economy Exploitation Economic development Inequality Transport links Natural hazard Urban Rural Continent Climate	Year 8 - Economic Development, Quality of Life, and Our Divided World	Linked international school in Uganda - Buzzibwera School CFL - Human Rights, LGBT Rights
Year 9 Spring 1 History	Mughal India Rise of the Empire (including trade and agriculture) Religion and Culture Shah Jahan and the Taj Mahal Decline and Fall of the Empire - The British East India Company	Empire Agriculture Religion Culture Hinduism Islam Parsis Values Emperor The British Raj		Art - Textiles and Batik, Buildings

Year 9 Spring 2 Geography	Events that shook the world - Pompeii (Mount Vesuvius) Natural disasters: tsunamis, volcanos, floods, heatwave, monsoons, earthquake Case study: Pompeii Human disasters: war, famine	Tsunami Volcano Flood Heatwave Monsoon Earthquake Famine Refugee Civil war Asylum seeker	KS2 Extreme Weather, Pompeii	Science - Earth's Structure
Year 9 Summer 1 History	The British Empire Industrial Revolution Inventions and Empire The British in India The Fight for Rights Everyday Life in Britain The Irish Famine The End of Empire and the Beginning of the Commonwealth	The British Empire Revolution Protest Famine Independence Industry Manufacture Philanthropy Spinning Jenny Steam Engine	KS2 - The British Empire Year 7 - Migration Year 8 - Local Case Study Year 9 - Mughal India	English - Oliver Twist Maths - Ada King
Year 9 Summer 2 Geography	UK Landscapes - Rivers and Ice The water cycle Features of a river How rivers change the land Impact and management of flooding Glaciers How the ice affected the physical landscape of the UK Tourism, economics and erosion	Glacier Sediment Channel Banks Bed Estuary Floodplain Valley Flood management Erosion	KS2 UK Landscapes - Rivers and Ice	Science - The Water Cycle, The Rock Cycle
