Dear Parent/ Guardian,

RE: Special Educational Needs

I thought it would be timely to remind you that all students attending Oswaldtwistle School are on the Special Educational Needs Register due to the nature of our provision and the student's needs. An Individual Educational Plan (IEP) is created for your child with information about them, strategies to support them and 3 targets. You are very welcome to request a copy and or make an appointment to come to school to meet with us to discuss this or we can arrange to meet virtually now too.

Lancashire County Council Publish their 'Local Offer' which lists the support and services you and your child can access in Lancashire and you can find this information on the Lancashire County council Website under the Local Offer section. On our own school website, you can find our school policy and Special Educational Needs (SEN) information report.

Please do not hesitate to get in touch with Stacey Gregory or myself if you would like to meet or discuss any special needs queries you may have.

Yours sincerely,

Sarah Barton
SENCO Inclusion Lead
