Features of an Infant Baptism Answers

Label each part of the image and then explain the role each feature plays in the ceremony. Use the table overleaf to help you.

Feature of Infant Baptism	Role in the Ceremony
font	This is where holy water is kept.
godparents	They guide the religious journey of the child.
holy water	Used to officially baptise the baby 'in the name of the Father, the Son and the Holy Spirit.'
priest	Leads the ceremony as part of a usual church service in a Christian place of worship.
white clothing	Signifies purity as the child begins their religious life.
