

TENTEN: LIFE TO THE FULL

SUMMER TERM CURRICULUM

Dear Parent(s)/Carer(s),

This term we will be studying Module Three: Created to Live in Community. This module explores the individual's relationship with the wider world. Here we explore how human beings are relational by nature and are called to love others in the wider community through service, through dialogue and through working for the Common Good.

EARLY YEARS

Unit 1 - Religious Understanding introduces in a very simple way the concept of the Trinity, where God is three-in-one and each part loves the others and loves us. Children will come to understand that as we are made in the image of God, we are designed to love God and love one another in our wider communities too. Unit 2 - Living in the Wider World helps children to extend their understanding of communities from Unit 1, as they learn about the responsibilities they have to people, places and the planet now and increasingly as they get older.

YEAR 1 & YEAR 2

In Unit 1 - Religious Understanding children will hear the story of The Good Samaritan and will be introduced to the concept of the Trinity - God as a three in one community of love - and think about what the Trinity means for them. Unit 2 - Living in the Wider World helps children to learn about the different local and global communities that they are part of, and what rights and responsibilities come with belonging to these communities.

YEAR 3 & YEAR 4

Unit 1 - Religious Understanding explores in greater detail the community aspect of the Trinity and encourages children to think about what the Trinity means to them and how as they were made in God's image, they too are created to live in community. In Unit 2 - Living in the Wider World, children will learn some of the principles of Catholic Social Teaching from Together for The Common Good, which will help them to live in communities in the way God intends.

YEAR 5 & YEAR 6

Unit 1 - Religious Understanding deepens pupils understanding and appreciation of the three-part community of love, the Trinity, with the endpoint of discussing the Trinity as it might be communicated in a church setting. Building on learning from Lower Key Stage Two; Unit 2 - Living in the Wider World teaches children some of the principles of Catholic Social Teaching from Together For The Common Good, which will help them to fulfil their purpose of making a difference in the world around them. Teaching includes the common good, the human person, social relationships and stewardship.
