A very warm welcome to **Our Lady of the most Holy Rosary Catholic Academy**

I am honoured to be the headteacher at such a happy, vibrant school where we recognise that all children are unique and value the gifts and talents of each member of our community.

At Our Lady of the Most Holy Rosary each and every child is valued, nurtured, loved and are at the centre of everything we do. We teach, through our own actions and words, the true values of the Gospel and Christ's teaching to love one another.

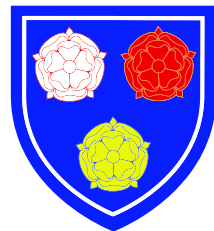

In joining our school your child will be encouraged, motivated, inspired and guided to ensure that they develop their natural gifts and talents whilst gaining a well-rounded education in a safe, caring and welcoming environment.

As a member of the Bishop Hogarth Catholic Education Trust group of schools, we believe that we are all part of one larger family community with each other; child and family, our parish community, our feeder school, St Michael's, and the wider community to which we serve. We believe that in working together as one we can truly ensure that we can fully support your child academically, socially, emotionally and spiritually. In doing so we help your child to meet their full potential.

All are welcome in our wonderful school. Please contact the school office so that we can arrange for you to come and look around.

Mrs Lucy Flaherty
Headteacher

Our curriculum

Our intention at Holy Rosary is for all children to experience a broad and balanced curriculum, rich in knowledge and opportunity and tailored to meet the needs of all children. Our curriculum is designed to build on prior knowledge, allowing children to know more and remember more.

We hope to instil in our children a sense of self-belief and resilience, and an understanding of how they can reach their full potential. We will encourage our children to have aspirational thoughts about their future, the various career paths that are open to them and to open their eyes to the wider world beyond Billingham.

Our intention is that by the time our children leave Holy Rosary, they will have gained valuable knowledge and skills that will support them as they move on to their next phase in learning and beyond. No matter their starting point, or their personal life experiences, all children will have experienced a curriculum that has allowed them to be aspirational in their thoughts for the future and become the best version of themselves.

“The school prioritises its engagement with families.”

Special educational needs and disabilities

As an inclusive school, all teachers are teachers of pupils with special educational needs & disabilities (SEND). We deliver a curriculum and create an environment that meets the needs of every pupil within our school.

We ensure that every pupil with SEND makes the best progress possible. We foster and promote effective working partnerships with parents, carers, pupils, and outside agencies. We consider the ‘whole’ child and strive to ensure that all our SEND pupils are prepared for adulthood.

Apply for a place at Our Lady of the most Holy Rosary

Starting primary school is a very important time for you and your child, and at Holy Rosary we aim to make this a happy experience for everyone. Children can start school in our reception class in the September of the academic year in which they will be five years old.

To gain a place at Holy Rosary, you will need to apply through Stockton-On-Tees Borough Council's website. Please click the link for more information or scan the QR code. Alternatively, you can contact the school office. <https://holyroary.bhcet.org.uk/information/admissions>

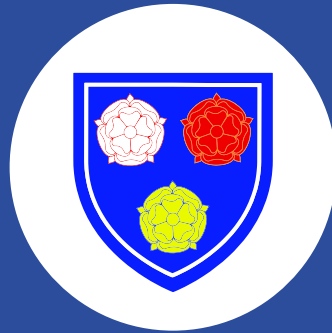

If your child is not already attending our school nursery, they will be invited to spend some informal sessions with their new teacher and other children from the class in the summer term in order to familiarise themselves with the school environment. An information evening for our new reception class parents is also held in the summer term.

For mid-year admissions, at other times of the year or for year groups other than Reception, please go through Stockton-On-Tees Borough Council (<https://www.stockton.gov.uk/article/2543/School-transfers-and-in-year-admissions>). We highly recommend contacting the school in the first instance for a visit.

Nursery Admissions

At Holy Rosary, we offer a wonderful nursery setting for three year olds. The nursery is open from 8:45am – 3:10pm (term time only) and can be a mix of both government funded hours and private payment. Please visit our website for more information.
