

Autumn 2 Please complete four tasks by Christmas.

	Spellings	Tables	English	Maths	Science
Week 1	familiar occupy yacht embarrassed scissors thistle accommodation wrist muscle guitar build exaggeration	9x tables	Create your own suspense/mystery story. Think about who your main character will be and how your setting will change depending on the mood of the story. Your character should come across a problem, which can be resolved towards the end. Remember to use high-level vocab and a range of sentence	Use items you find around your home to represent fractions. Write equivalent fractions, decimals and percentages. You have a budget of £1000. Your task is to design a classroom, use catalogues/internet to find items. Look out for sale items! Can you spend it all?	Conduct a mould investigation. Touch a slice of bread with unwashed hands and place it in a transparent sealed container/bag and do the same after touching a slice of bread with clean hands. Make a prediction of what you think will happen and observe the slices of bread over a period of time.
Week 2	bicycle portable aquarium transfer supernatural primrose microscope autograph audience prehistoric	8x tables	Art/Music Create a replica portrait of a famous King or Queen. It can be any monarch you like, past or present. Use shading to create shadows/highlights on the face.	DT Where does our food come from? Look at seasonality of food in Britain. How has our food changed/stayed the same over time? What did famous monarchs eat in the past? Design a banquet for King Henry VIII and choose foods that would have been available at the time.	PE Create your own Olympic games. Think about what you can use from your learning in PE to create Olympic sports for you and your family to take part in.
Week 3	hoist bungalow easel pyjamas blizzard verandah restaurant Kangaroo	7x tables	RE Research the Sacrament of Ordination and what this involves. Why would someone choose to become a priest? What commitment are they making by choosing this life? Is there any sacrifices they are making?	History Research how our British Monarchy runs. Who is part of the royal family? What jobs do they do? Do they do any charity work? Create a poster displaying your learning.	Geography Create an information leaflet for someone who is visiting Japan. Use your learning from before half term and persuasive techniques to sell a holiday to Japan to someone who has never been before.
Week 4	family desperate boundary listener raspberry doctor postpone generally government generous	12x tables			

Ongoing activities—these are the things you should be doing all the time

Tick here to track what you've done!

Use **Times Tables Rockstars** and www.timestables.co.uk every day. Don't forget to complete the times tables check three times a day and record your best score.

Read every day—you have your school reading book but also you can read magazines, graphic novels, the newspaper or try going to the library. If you download the Kindle app you can download lots of books for free!

Practise your handwriting—try writing a diary or journal of the things you do in a week. Write a letter to a family member or friend and send it to them.

Get your parents to help you cook something—look up a recipe using the ingredients you have at home and treat your family.

Access Pobble 365. Read the story starter and continue it. <http://www.pobble365.com/>
