	also applies to children under 5, with LFD testing at parental or guardian discretion. If both these test results are negative, and you do not have a high temperature, you may end your self-isolation after the second negative test result and return to your education or childcare setting from day 7 .							
Asymptomatic testing of staff	<p>Report your LFD test results after taking each test,</p> <p>From 11 January 2022 any member of staff or student who receives a positive lateral flow device (LFD) test result for coronavirus (COVID-19) will be required to self-isolate immediately and won't be required to take a confirmatory PCR test.</p> <p>This is a temporary measure while COVID-19 rates remain high across the UK.</p>	2	4	M	All staff have been provided with LFD home test kits to swab themselves twice a week at home.	2	4	M
					Households of children attending Education can now access lateral flow tests as per Government Guidance. https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-

[When to Self-isolate and what to do](#)

****Throughout the re-opening process there will be incidents that require a dynamic risk assessment – an assessment of unforeseen or emergency hazards. The risk will be assessed by the staff at the time of the event.***

The normal duties of consultation on health and safety matters still apply during the pandemic. Section 2(6) HSWA states:

“It shall be the duty of every employer to consult any such representatives with a view to the making and maintenance of arrangements which will enable him and his employees to co-operate effectively in promoting and developing measures to ensure the health and safety at work of the employees, and in checking the effectiveness of such measures.”

Risk Assessment Matrix (Probability and Likelihood Scales)							
		Likelihood Rating					
Severity Rating	Description	1	2	3	4	5	6
		Very Unlikely	Unlikely	May happen	Likely	Very likely	Certain or imminent
1	Delay only	<p>The matrix grid consists of 6 rows and 6 columns of cells. The cells are colored as follows: Row 1 (Severity 1) is entirely green. Row 2 (Severity 2) has the first two columns green and the last four yellow. Row 3 (Severity 3) has the first column green, the next two yellow, and the last three red. Row 4 (Severity 4) has the first column green, the next two yellow, and the last three red. Row 5 (Severity 5) has the first column green, the next two yellow, and the last three red. Row 6 (Severity 6) has the first column green, the next two yellow, and the last three red. The labels 'LOW', 'MEDIUM', and 'HIGH' are placed in the center of the grid: 'LOW' is in the center of the green area, 'MEDIUM' is in the center of the yellow area, and 'HIGH' is in the center of the red area.</p>					
2	Minor injury, minor damage						
3	Lost time injury, illness, major damage						
4	Major injury, disabling illness, major damage						
5	Single fatality, or permanent total disability						
6	Multiple fatalities						

Holy Rosary COVID-19 Wider Opening Organisational Plan for January 2022 - Whole School

Managing the organisation of the school day... (things to consider)			Reopening Plan for January 2022 Whole School
OUR LADY OF THE MOST HOLY ROSARY			
<p>Who is returning? Things to consider: <i>Ongoing availability of staff will dictate how many children can be accommodated for each day.</i></p>	<p>Key Stage 1 All classes to return in January 22 in full</p> <p>Staff Availability: All staff will be in school. Teachers = 8 full time</p> <p>Teaching Assistants: 5 FTE</p>	<p>Key Stage 2 All classes to return in January 22 in full</p>	<p>EYFS Reception – All children on roll to return in January 22 in full.</p>
<p>Entrance/Exit to school Things to consider: <i>Staggered start/finish times to avoid congestion on the yard and around school, create learning bubbles within different sections of the school</i> <i>Siblings in different 'bubbles'</i></p>	<p>Main KS2 Entrance – One-way system Parents will be encouraged to maintain social distancing and wear face coverings.</p> <p>The one-way system will remain in place.</p> <p>Breakfast Club has been re-instated. Arrival between 7:50 and 8:00 daily.</p> <p>After school Clubs will continue: All are finished by 4:15pm</p>	<p>Main KS2 Entrance – one-way system Parents will be encouraged to maintain social distancing and wear face coverings.</p> <p>The one-way system will remain in place.</p> <p>Breakfast Club has been re-instated. Arrival between 7:50 and 8:00 daily.</p> <p>After school Clubs will continue: All are finished by 4:15pm</p>	<p>Entrance: Sidlaw Rd one-way system Parents will be encouraged to maintain social distancing and wear face coverings.</p> <p>The one-way system will remain in place.</p> <p>Breakfast Club has been re-instated. Arrival between 7:50 and 8:00 daily.</p> <p>After school Clubs will continue: All are finished by 4:15pm</p> <p>Moring Nursery: 8:45 till 11.45</p>

	<p>8.55 arrival for 9am start. 3:10pm dismissal</p> <p>All Class teachers to be out ready to line up their class.</p>	<p>8.40 arrival for 9am start 3.10pm dismissal</p> <p>All Class teachers to be out ready to line up their class.</p>	<p>Afternoon Nursery: 12.30 till 3.30 Reception: 9am – till 3.10</p> <p>All Class teachers to be out ready to line up their class.</p>
<p>Movement around school, including toilets. Things to consider: <i>share out toilet facilities, additional cleaning, move towards hot lunches for all pupils. Toilet/corridor monitoring.</i></p>	<p>Hygiene routines will remain high on the agenda.</p> <p>External classroom doors to be used for entry and dismissal.</p> <p>Lunches will continue as normal – 12 till 1pm.</p> <p>Lunchtime supervisors to support over lunch hour.</p> <p>Face coverings to be worn by staff in communal areas.</p>	<p>Hygiene routines will remain high on the agenda.</p> <p>External classroom doors to be used for entry and dismissal.</p> <p>Lunches will continue as normal – 12 till 1pm.</p> <p>Lunchtime supervisors to support over lunch hour.</p> <p>Face coverings to be worn by staff in communal areas.</p>	<p>Hygiene routines will remain high on the agenda.</p> <p>External classroom doors to be used for entry and dismissal.</p> <p>Lunches will continue as normal – 12 till 1pm.</p> <p>Lunchtime supervisors to support over lunch hour.</p> <p>Face coverings to be worn by staff in communal areas.</p>
<p>Organisation of learning activities Things to consider: <i>Use of outdoor learning to encourage physical distancing. Curriculum/transition. New behaviour policy</i></p>	<p>Children will remain grouped for lessons.</p> <p>Each child has own personal equipment provided.</p> <p>Resources shared between classes/children must be cleaned.</p>	<p>Mixture of desks facing fwd/grouped depending on ability.</p> <p>Each child has own personal equipment provided.</p> <p>Resources shared between classes/bubbles must be cleaned</p>	<p>Shared equipment to be cleaned.</p> <p>Frequent outdoor learning to support distancing</p>

<p><i>(Addendum)limited items brought into school.</i></p>	<p>Limited items to be brought in from home/taken home.</p> <p>Sports equipment cleaned between use by different groups.</p> <p>PE outside wherever possible. PE Kit to be worn for school.</p> <p>Staff have received the updated Behaviour and safeguarding Policy.</p> <p>Briefings held when appropriate to discuss how systems are working and possible improvements.</p>	<p>Limited items to be brought in from home/taken home.</p> <p>Sports equipment cleaned between use by different groups.</p> <p>PE outside wherever possible. PE Kit to be worn for school.</p> <p>Staff have received the updated Behaviour and safeguarding Policy.</p> <p>Briefings held when appropriate to discuss how systems are working and possible improvements.</p>	<p>Limited items to be brought in from home/taken home.</p> <p>PE outside wherever possible. PE Kit to be worn for school.</p> <p>Staff have received the updated Behaviour and safeguarding Policy.</p> <p>Briefings held when appropriate to discuss how systems are working and possible improvements.</p>
<p>Lunch and break arrangements. Things to consider: hygiene requirements between transitions</p>	<p>Lunches to continue as normal 12 – 1pm</p> <p>Staff room to be split across 3 areas with limited numbers allowed in each.</p>	<p>Lunches to continue as normal 12 – 1pm</p> <p>Staff room to be split across 3 areas with limited numbers allowed in each.</p>	<p>Lunches to continue as normal 12 – 1pm</p> <p>Staff room to be split across 3 areas with limited numbers allowed in each.</p>

<p>Staffing requirement Things to consider: <i>All staff in from September. All staff can operate across bubbles</i></p>	<p>Each class staffed as per normal.</p> <p>Thought needs to be given about how staff can be deployed if a member of staff is required to isolate.</p>	<p>Each class staffed as per normal.</p> <p>Thought needs to be given about how staff can be deployed if a member of staff is required to isolate.</p>	<p>Each class staffed as per normal.</p> <p>Thought needs to be given about how staff can be deployed if a member of staff is required to isolate.</p>
<p>Classrooms needed Things to consider:</p>	<p>All classrooms -Full cohort</p> <p>Desks grouped. (Unless further guidance issued)</p> <p>Staff may wear a visor in class if they wish.</p>	<p>All classrooms -Full cohort</p> <p>Mixture desks facing forward/groups dependant on ability/age. (Unless further guidance issued)</p> <p>Staff may wear a visor in class if they wish.</p>	<p>All classrooms -Full cohort</p> <p>Staff may wear a visor in class if they wish.</p>
<p>Cleaning Arrangements Things to consider: Enhanced cleaning/ hygiene procedures</p>	<p>Enhanced cleaning procedures</p> <p>NHS Solutions to audit and advise re cleaning. Training of staff to take place.</p> <p>PHE Covid 19– Cleaning of non-healthcare settings guidance to be followed.</p> <p>Frequent cleaning of resources.</p>	<p>Enhanced cleaning procedures</p> <p>NHS Solutions to audit and advise re cleaning. Training of staff to take place.</p> <p>PHE Covid 19 – Cleaning of non-healthcare settings guidance to be followed.</p> <p>Frequent cleaning of resources.</p>	<p>Enhanced cleaning procedures</p> <p>NHS Solutions to audit and advise re cleaning. Training of staff to take place.</p> <p>PHE Covid 19– Cleaning of non-healthcare settings guidance to be followed.</p> <p>Frequent cleaning of resources.</p>

	<p>Enhanced hygiene procedures including good respiratory hygiene.</p> <p>This is to be monitored to ensure complacency does not set in.</p>	<p>Enhanced hygiene procedures including good respiratory hygiene.</p> <p>This is to be monitored to ensure complacency does not set in.</p>	<p>Enhanced hygiene procedures including good respiratory hygiene.</p> <p>This is to be monitored to ensure complacency does not set in.</p>
<p>First Aid/Case showing symptoms of Covid 19</p> <p>Things to consider: Potential Symptoms (General) <i>Significant breathing difficulty.</i> <i>High Temperature</i> <i>Coughing and sneezing</i> <i>Loss of smell</i> <i>Loss of taste/where the case will be isolated</i></p>	<p>First Aid – Appropriate PPE to be worn – see Matrix?</p> <p>Illness – must stay at home</p> <p>Covid 19 signs and symptoms – appropriate PPE to be worn – see matrix</p> <p>Follow Public Health guidance.</p> <p>Actively engage with and follow Public Health guidance. ‘Direct contact’ risk assessment to be agreed with Public Health if a member of staff or a child test positive. Record of isolation dates to be kept by school to ensure the correct isolation period is carried out.</p>	<p>First Aid – Appropriate PPE to be worn – see Matrix</p> <p>Illness – must stay at home</p> <p>Covid 19 signs and symptoms – appropriate PPE to be worn – see matrix</p> <p>Follow Public Health guidance.</p> <p>Actively engage with and follow Public Health guidance. ‘Direct contact’ risk assessment to be agreed with Public Health if a member of staff or a child tests positive. Record of isolation dates to be kept by school to ensure the correct isolation period is carried out.</p>	<p>First Aid – Appropriate PPE to be worn – see Matrix</p> <p>Illness – must stay at home</p> <p>Covid 19 signs and symptoms – appropriate PPE to be worn – see matrix</p> <p>Follow Public Health guidance.</p> <p>Actively engage with and follow Public Health guidance. ‘Direct contact’ risk assessment to be agreed with Public Health if a member of staff or a child tests positive. Record of isolation dates to be kept by school to ensure the correct isolation period is carried out.</p>
<p>Staff</p> <p>Things to consider <i>Ongoing emotional well-being of staff.</i></p>	<p>Staff provided with Public Health England Guidance re mental health and wellbeing aspects of coronavirus (COVID-19).</p>	<p>Staff provided with Public Health England Guidance re mental health and wellbeing aspects of coronavirus (COVID-19).</p>	<p>Staff provided with Public Health England Guidance re mental health and wellbeing aspects of coronavirus (COVID-19).</p>

	<p>Head to be available for staff to discuss concerns/anxieties on a 1:1 basis if required.</p> <p>Staff to be encouraged to continue testing twice weekly. (Lateral flow)</p>	<p>Head to be available for staff to discuss concerns/anxieties on a 1:1 basis if required.</p> <p>Staff to be encouraged to continue testing twice weekly. Outbreak Management Plan

Date Adopted	July 2021
Date Reviewed	
Next Review Date	Jul 2022
Version	1.0
Review Cycle	Annual
Publication Scheme	Trust Website Local Schools' Websites

This Outbreak Management Plan is based on the contingency framework for managing local outbreaks of COVID 19 and the school's/college's operational guidance from step 4, published by the Department for Education (DfE).

We will only implement some, or all, of the measures in this plan in response to recommendations provided by our local authority (LA), director of public health (DsPH), Public Health England (PHE) health protection team or the national government.

It may be necessary to implement these measures in the following circumstances:

- To help manage a COVID-19 outbreak within the school/college
- If COVID-19 infection rates in the community are extremely high, and other measures have failed to reduce transmission
- As part of a package of measures responding to a 'variant of concern' (VoC)

The Trust will have an up-to-date risk assessment in place, it will be communicated to the whole staff team; appropriate information will be shared with students, parents/carers, visitors, and any other people impacted by the school/college activities.

The Senior Leadership Team will review the risk assessment each month to make sure the measures included are providing the best level of protection available, whilst allowing the school/college to run in a way which will prioritise student's education and growth.

The Trust will have arrangements in place so it can re-introduce measures, up to and in line with the Summer 2021 COVID-19 risk assessment. This may include:

- Reintroduction of face coverings in communal areas
- Adhering to national guidance on the reintroduction of shielding which would apply to those on the shielded patient list (SPL). We will speak to individuals required to shield about additional protective measures in school/college or arrangements for home working or learning
- If recommended to reduce mixing between groups, we would:
 - Reintroduce bubbles
 - Have separate entrances/exits for bubbles
 - Deliver lunches to classrooms
 - Separate rota for breaks and lunches
 - Timetabled use of specialist rooms
 - Reintroduce 'maximum capacity' notices for all communal areas
- If recommended, we would limit:
 - Residential educational visits
 - Transition days
 - Parents coming into school/college
 - Non-essential visitors coming into school/college
 - Live performances

As well as increasing the level of controls, the measures will include providing high quality remote education where students are not able to attend. The school will continue to provide meals or lunch parcels for students eligible for benefits-related free school meals while they are not attending school because of COVID-19 isolation guidelines.

LFD Testing kits will be available on site and supplies will allow for a scaling up of testing if required to allow students and staff to attend. LFD testing is not appropriate for people with symptoms, and they should not attend school/college whilst they have symptoms.

PCR Testing kits will be available for any individual who is symptomatic and may not be able to access a PCR test by other means. Individuals (and where appropriate their parents/carers) should be encouraged to use PCR testing centres where they are likely to get a rapid result. Individuals (and where appropriate their parents/carers) should be strongly encouraged to share the results with the school/college at the earliest opportunity.

- Where a suspected case occurs, the individual will be asked to self-isolate and take a PCR test.
- It is possible when there are confirmed cases the school/college will be asked to provide a list of close contacts, this could lead to the need to take advice from PHE or the Local Health Protection team.
- Where there are multiple cases within a year group, further measures in line with the summer term risk assessment may be re-introduced. Public Health England will be consulted (08000468687 (1)) and any changes in their immediate or publicised guidance will be acted upon. In line with guidance released in August, if the school/college hits the outbreak threshold (General education 5 individuals or 10% of people test positive in a group), advice will be taken, and significant measures introduced.

Where an individual is asked to self-isolate, they will be provided with an isolation number. The number will allow the individual and the school/college to track how long the isolation must be in place.

Individuals who have been informed by Test and Trace to isolate, or have symptoms, must not attend the school/college. The school/college retains the authority to refuse entry to individuals who have symptoms or where the school/college feels their attendance may lead to an outbreak.

Personal Protective Equipment Matrix

The matrix below details the type (not make) of Personal Protective Equipment which may be suitable for a specific task. Government advice specifically states:

The majority of staff in education settings will not require PPE beyond what they would normally need for work, even if they are not always able to maintain a distance of 2 metres from others. PPE will only be required in a very small number of cases.

	(Not PPE) Sanitiser	Face Mask	Disposable Gloves	Disposable Apron	Full Face Shield
					
Teaching or Assisting Teaching	When hand washing facilities are not available	X	X	X	X
Cleaning / Site responsibilities	When hand washing facilities are not available	When specific protection is needed due to chemicals being used or cleaning a potentially infected area.	When specific protection is needed due to chemicals being used or cleaning a potentially infected area.	When specific protection is needed due to chemicals being used or cleaning a potentially infected area.	X
Kitchen/Dining roles	When hand washing facilities are not available	X	In line with normal guidance and while clearing used crockery/cutlery	X	X
First Aid	When hand washing facilities are not available	When close contact is needed whilst administering First Aid	In line with normal guidance	In line with normal guidance	X
Required close contact (within 2 metres) with an actual or suspected COVID 19 case	When hand washing facilities are not available	When close contact is required whilst supporting an individual before they are transported off site, and until area is cleaned.	When close contact is required whilst supporting an individual before they are transported off site, and until area is cleaned.	When close contact is required whilst supporting an individual before they are transported off site, and until area is cleaned.	When close contact is required whilst supporting an individual before they are transported off site.
Cleaning an area after a suspected COVID 19 case	When hand washing facilities are not available	Used when cleaning an area where a significant chance of infection exists (room where individual has waited for attention or toilet used)	Used when cleaning an area where a significant chance of infection exists (room where individual has waited for attention or toilet used)	Used when cleaning an area where a significant chance of infection exists (room where individual has waited for attention or toilet used)	X
Transporting in vehicles	Required along with disposable wipes	Available and provided for employees. Students encouraged to use their own	X	X	X
