We are proud to be part of a wonderful and dynamic team here at Our Lady of the Rosary. We have an emphasis on working hard, challenging ourselves, being independent learners and having fun.

We are a catholic school and work hard to foster these values in our children. We are an integral part of our whole community and fully reflect the cultural make-up of families in our area. Families of no faith or other faiths are warmly welcomed.

Each day we encourage our children to work hard, have a positive mindset, learn from mistakes, persevere and feel good about themselves.

Our school is a happy, exciting learning community where everyone is made to feel welcome. We always welcome visit from parents so if you would like to take a tour do get in touch.

Special Educational Needs and Disabilities (SEND)

At Our Lady of the Rosary we believe that every child matters and every teacher is able to support special educational needs.

Children who have additional needs and need extra support in school are given a plan to help them. These are reviewed three times annually.

We have a SEN Co-ordinator in school who will liaise with parents and oversee support.

Safeguarding

Our Lady of the Rosary Primary School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share in this commitment.

Staff work hard to maintain an environment where children feel safe and secure. The curriculum is designed to ensure opportunities for children to develop the skills they need to recognise and stay safe from abuse including whilst accessing the internet. Children know that they can approach any of the adults in school if they are worried and that they will receive a consistent supportive response.

We have a team of Designated Safeguarding Staff, in school. If you have any safeguarding concerns, please make a member of the team aware.

CHADWICK'S KITCHEN

Our award winning in-house catering team Chadwick's Kitchen, provide catering services across the Trust.

We use fresh ingredients to prepare healthy and nutritionally balanced meals each day. The majority of our menus are homemade by our chefs in our kitchens.

Staff are trained to accommodate medical diets and work in partnership with parents to ensure these needs are met. As part of the Trust's commitment to sustainability, we regularly review food miles and continue to work to reduce food waste.

Parents/Carers can pay for school meals using ParentPay, and can view meal choices and account balance online. This operates via a biometric (finger scanning) process, improving efficiency and removing the need for cash.

Students entitled to free meals are allowed to purchase food to the value of a free school meal allowance daily. Students also have the option to bring a packed lunch (nuts or nut-based products aren't permitted). Find out more: www.bccet.org.uk/chadwicks-kitchen/
