

Our Lady Queen of Peace

Catholic Engineering College

Curriculum Overview

YEAR 11 Geography

	Knowledge & Understanding				
	Composites (Bigger Picture)	Components (Key Concepts)	Recall & Retrieval Practice Focus	Key Vocabulary	Cultural Capital / Enrichment Opportunities
Half term 1	Paper 1: Section A: The Challenge of Natural Hazards: <u>Tectonic Hazards and weather hazards</u>	Distribution of tectonic margins, earthquakes and volcanoes Processes at plate margins HIC named example: Chile – effects and responses LIC named example: Nepal – effects and responses Why do people continue to live in tectonic areas? Management of hazards Exploration of Global Atmospheric Circulation system Distribution and characteristics of tropical storms Named example of Tropical storm: Typhoon Haiyan Management of tropical storms Extreme weather in UK including example Somerset flooding.	There is a mixture of the following recall tasks: <u>Fortnightly Skills</u> Bar graphs <u>4L's</u> Misconceptions from year 10 exams Linked learning – Rivers, KS3 tectonic hazards <u>Key term definitions</u> This topics key terms Last topics key terms	Natural hazard Plate margin Oceanic crust Continental crust Subduction Monitoring/prediction Protection Planning Tropical storm Trade winds High pressure Low pressure Distribution	Reading for meaning on social media as a way to manage hazards

	Knowledge & Understanding				
	Composites (Bigger Picture)	Components (Key Concepts)	Recall & Retrieval Practice Focus	Key Vocabulary	Cultural Capital / Enrichment Opportunities
Half term 1 and 2	Paper 2: Section B: The Changing Economic World <u>The UK economy</u>	Causes of economic change Post-industrial economy Impacts of industry on physical environment Sustainable industry Rural landscapes Improvements to transport infrastructure North South Divide The place of the UK in the wider world Issue evaluation on Science and Business parks	There is a mixture of the following recall tasks: <u>Fortnightly Skills</u> Mean, median, mode Choropleth maps <u>4L's</u> Misconceptions Linked learning – KS3, Liverpool Urban topic, Rio topic <u>Key term definitions</u> This topics key terms Last topics key terms	Deindustrialisation Globalisation Post Industrial Primary Secondary Tertiary Quaternary Sustainable industry	
Half term 2	Paper 3: <u>Issue Evaluation</u>	Analyse and evaluate booklet on UK's housing supply and Tudley Village. Decision making exercise.	There is a mixture of the following recall tasks: <u>Fortnightly Skills</u> Bar charts Line graphs Mean median, mode and range <u>4L's</u> Misconceptions Linked learning – KS3, Liverpool Urban topic, UK economy, Climate change <u>Key term definitions</u> This topics key terms Last topics key terms	Sustainability Greenfield Brownfield Urban sprawl North south divide	

	Knowledge & Understanding				
	Composites (Bigger Picture)	Components (Key Concepts)	Recall & Retrieval Practice Focus	Key Vocabulary	Cultural Capital / Enrichment Opportunities
Half Term 3	Paper 1: Section C: physical landscapes in the UK: <u>Coastal Landscapes</u>	Wave characteristics Coastal Processes and landforms Management strategies Example of coastal management scheme in Lyme Regis	There is a mixture of the following recall tasks: <u>Fortnightly Skills</u> Annotating diagrams OS maps kills Scatter graphs <u>4L's</u> Misconceptions Linked learning – River landscapes <u>Key term definitions</u> This topics key terms Last topics key terms	Erosion Deposition Transportation Relief Discharge Hard engineering Soft engineering Long shore drift Weathering	
Half term 3	Paper 2 : Section B: The changing Economic World: <u>Development And NEE/LIC Case Study Brazil</u>	Variations in economic development and quality of life across the world Strategies to reduce the global development gap Case study of Brazil illustrating location, context and importance, industrial structure and role of TNC's, changing relationships and environmental and social impacts of economic development Issue Evaluation practice - Tourism and development gap	There is a mixture of the following recall tasks: <u>Fortnightly Skills</u> Flow line Desire line Dot maps <u>4L's</u> Misconceptions from rehearsal exams Lined learning – UK economy, Rio <u>Key term definitions</u> This topics key terms Last topics key terms	Aid Debt relief Microfinance Intermediate technology Migration Uneven development GNI per capita TNC	
Half term 4	Revision	Revise for GCSE exams.			
Half term 5	Paper 3: Issue Evaluation	To teach the prerelease material			

Key Assessments

When	What will be assessed?	Why is this being assessed?
Half Term 1	End of topic test – weather tectonic hazards	To assess knowledge learnt and areas of weakness that can be revisited though recall
Half Term 2	End of Topic test –UK economy Mock exams – Full paper 1,2,3.	To assess knowledge learnt and areas of weakness that can be revisited though recall. To assess all content learnt through Year 10 and 11 and give learners experience of GCSE's.
Half term 3	End of topic test – Coasts and Development	To assess knowledge learnt and areas of weakness that can be revisited though recall
Half Term 4	Mock exam on the issue evaluation (Paper 3)	To assess knowledge learnt and areas of weakness that can be revisited though recall
Each topic has at least one longer tariff question (key piece) which is teacher assessed, and feedback given.
