History	Pupils will be given a Health & the People Exam Guide & Practice Question Booklet by their teacher. You should study it carefully and learn the structure required to answer each question. There is an 8mark Q1 on Robert Koch and a 16mark Q4 on Individuals to complete in the booklet to practice your technique. You should also revise ALL topics on the revision list you have been given for the 3 main topics Germany, Conflict & Tension and Health of the People. Pupils have previously been given a variety of revision guides and there are lots of revision resources on TEAMS in the Class materials folder.	45 mins on each of 3 main topics. 2hrs 15 TOTAL	Hand booklets in to teacher in first lesson after the holidays.
Geography	Pupils have been assigned a database of all past exam questions for each topic on their Pre Public Mocks. They have been instructed to complete between 10-15 marks worth of questions for each of the 6 topics. There is a physical copy and a digital copy on Teams. Other revision includes making flash cards and mind maps of the different pieces of key information which can be found in their books, revision guides and online on BBC Bitesize or "PhysicsandScienceTutor".	1 hour 30	After Pre Publics
Mathematics	Pupils should complete as many questions as they can from the GCSE examination booklet. This is a substantial document which covers all the key areas of the Maths GCSE course and candidates should not aim to answer every question. The purpose	2 hours	Completed prior to Paper 1 and then used for Paper 2

	of this booklet is to provide pupils with a selection of practice questions that they will be tested on not only in their pre-public examination but also in their GCSE in the summer. It does not need to be done in test conditions and an answer booklet will be provided on TEAMS which pupils can use to check their own work. If pupils encounter questions that they are unable to answer they should be prepared to look these up using the many available resources such as Mathswatch, Corbett Maths, Maths Genie or their Revision Guide.		and Paper 3 revision.
Religious Studies	<p>Create revision flashcards/cue cards for all the key topics in ALL PAPERS. These flashcards should cover all of the content. These flashcards should focus on 'Need to Know' and 'Good to Know' for each key area and each flashcard should include bullet points for the content, key quotes and key words.</p> <p>2.
