Formal consultation to remove the Additional Resource Provision from Our Lady & St Bede Catholic Academy

Introduction

The purpose of the consultation is to seek views on the following proposal:

To permanently remove the Additional Resource Provision (ARP) provided by the school. The removal of the provision will not affect children currently attending but will close for new placements from September 2025.

As part of Stockton Borough Councils wider consultation on ARP the school, supported by the Bishop Hogarth Catholic Education Trust, asked the Council to withdraw its Additional Resource Provision. This decision will not impact the children accessing the provision and the ARP will remain operational until all children leave.

To implement this decision, the school must now make an application for a Significant Change to the Department for Education which requires a period of consultation with parents. The formal consultation period will:

- Begin on Monday 28th April 2025
- End at midnight on Monday 19th May 2025

You can respond to the consultation by completing and returning the Consultation Response Form below.
