Dear Parents/Carers,

We are writing to you with a request to help create a safe and healthy learning environment for all our students, particularly children whose immune systems are compromised, making them vulnerable to infections. We kindly ask that you inform school if anyone in your household is currently suffering with Measles, Chicken Pox, Hand Foot and Mouth, Scarlett Fever or Slapped Cheek Syndrome. Thank you for your understanding and cooperation in this important matter. We appreciate your support in helping keep everyone safe.

Kind regards

Miss Duffy
