# FAIRNESS

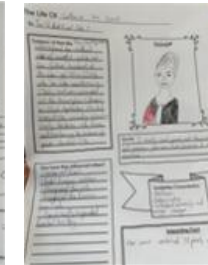

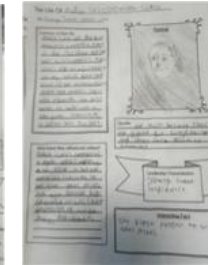

## Holocaust Memorial: Lessons from History

- We studied the **10 Stages of Genocide** to understand how hatred grows and how to stop it.
- We created case studies to identify the warning signs of injustice.
- We committed to:
  - Speak early.
  - Speak loudly.
  - Never stay silent.

## Women's History Month Project

- Celebrating women who changed the world
- Uplifting voices often left out of history
- Pupils led talks & posters
- Focus on justice, equality & empowerment

# ACTION

## Art for Change:

- Pupils create powerful artworks themed around identity, justice, migration, and resilience.
- Art transforms emotions into action — and starts conversations that matter.

## Human Rights Reading Circle:

- We read and share works that highlight human rights across the world.
- Stories open hearts and challenge minds.

## Storytelling and cultural exchange sessions

- Anti-racism campaigns & allyship workshops.
- Pride Month awareness and events.
- Uplifting ALL identities, faiths & backgrounds.

# DIVERSITY

## Annual Multicultural Festival:

- We host an amazing day where every culture shines!
- Pupils share traditional clothing, foods, dances, music, and languages.
- We honour traditions from around the world — because **diversity is strength**.
- Our goal: **turn curiosity into connection**.

## Refugee Week:

- A week to promote understanding of the experiences of people seeking sanctuary.
- We empower each other to be upstanders, not bystanders.

The theme for Refugee Week 2025 is “Community as a Superpower.”

# HOPE

## We dream of a future where:

- Identity is celebrated.
- Racism is rejected.
- Refugees are welcomed.
- People are tolerated and accepted, **injustice is not.**

## Our Promise

- To **listen bravely** and **speak with purpose.**
- To **act with integrity** and **learn with humility.**
- To **stand up for what is right** — even when it's uncomfortable.
- To **never lose hope.**
