## WELCOME FROM HEAD

Welcome to the first publication of the academic year and what a fantastic start we have had!

For the benefit of our new year 7 parents and carers, the purpose of this series of communications is to introduce and feature key school staff, share successes and good news stories, and give more in-depth information about what and how your child learns in Our Lady and St Bede Catholic Academy.

I hope you continue to find it informative and supportive and I thank you for your continued support.

### Launch of the Mobile Phone Ban

Can I please express my thanks to all parents and carers who have supported us with our new mobile phone policy in school. Pupils have embraced the new approach and it has rapidly become a part of our school culture. It is pleasing to hear feedback from staff, parents and pupils themselves about how not having access to a mobile phone has increased concentration levels in classrooms whilst also supporting the mental health of our young people. Pupils have told us that they are talking to each other instead of being addicted to their phone screens. Our intention of allowing pupils to have a childhood that is free from digital distractions will certainly help prepare them for the world of work in the future.
