Empowerment:

Realise that you will never get this opportunity again and it is yours for the taking.

Accountability:

Taking ownership of your decisions, every decision you make from now until the end of Year 11 will matter.

Resilience:

Recognise that it is going to be hard and making excuses won't do you any good in the long run.

Own Your Choices

SO WHAT DO I NEED TO DO?

ACADEMIC EXPECTATIONS

In Lessons

- Stay organised with notes and materials.
- Actively participate and ask questions.
- Stay engaged and attentive throughout the lesson.
- Seek help from the teacher when unsure.

Independent

- Organise your time for homework and revision- you will need to do independent work at home
- This should already be happening!

Enrichment

- Our compulsory offer for enriching your education
- Incredible opportunity with a specialist
- Form Time Intervention (coming soon...)

A DAY IN THE LIFE IN Y11

Able to relax

EXAMS- PREPARING YOU FOR THE JOURNEY AHEAD

NOW!

1
EXAM

Y10 Summer Mock Exams
16th June 2025

- Your first chance to experience full mock exams in exam conditions.
- You'll get a Results Day after these mocks to reflect and plan ahead.
- Help your teachers understand where you are and how to support you.
- They help YOU get used to the exam environment, timing, and revision strategies.

Y11 Autumn Mocks
November 2025

- Your first set of Year 11 mocks.
- These will cover more Year 10 and Year 11 content.
- You'll sit them in formal conditions and receive a Results Day.
- Teachers use these to identify gaps and plan your revision strategies with you.

3
EXAM

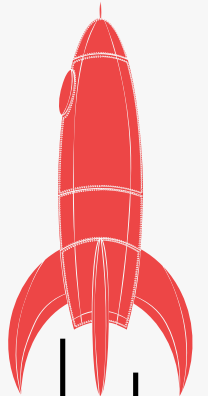

Pre-Public Exams
February 2026

- These are your final full mocks before your real GCSEs.
- Very similar to the real exam experience—same rooms, same rules, full content.
- Results from these will help shape final interventions and revision focus.

GCSE Exams
May 2026

- The real thing! But you'll have done this three times already.
- You'll know what works for you, how to revise, and how to handle the pressure.
