Witnesses of our Faith

Born to Fish, Called to Follow .

In Monday's assembly, the children will hear about the first disciples who were born into families of fishermen. Jesus called them and they gave up everything to follow Him. The children will hear that God has a deeper purpose for us all. God invites us to hear His call and respond to the amazing plans He has for us. How can we respond to his call?

Ofsted

Many thanks to those of you who completed the parent survey, those who emailed with kind words of support and those who checked in with staff. Your support is very much appreciated. As always, the children were wonderful ambassadors demonstrating kindness, good manners, empathy and enthusiasm. We are truly blessed.

Thanks also to our dedicated Governors who provide generous support and guidance to our school. They have been a valuable part of the inspection process.

We are looking forward to being able to share the report with you when we receive the final copy.
