

The Incredible Years!

Oxford Gardens is a unique learning community in the heart of North Kensington. As educators we strive to develop a rich and varied curriculum to enable our learners to achieve their aspirations. Our Vision is that every pupil will strive to be the very best that they can be. Creativity and Innovation, underpinned by high standards and expectations for all are at the heart of everything that we do.

Oxford Gardens is a unique Team and so much more than just a Primary School. Being part of the 'Sail to Success' Team is a commitment to lifelong learning as a key to personal fulfilment. We aim to provide every child with the confidence and skills to enable them to travel through life and learning with confidence and aspiration.

'Sail to Success' celebrates the joy of every learning experience and achievement. Each significant step enables every child to have the confidence to successfully navigate their way through life and learning.
