

# Fairy class update

Our wonderful fairies have quickly settled into their new school routine since coming back after the summer.

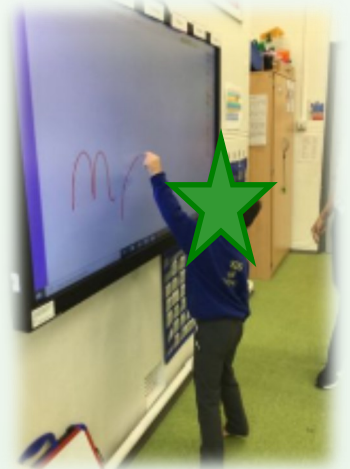

In Literacy, we have been looking at familiar stories (We're going on a bear hunt and The very hungry caterpillar). The children have enjoyed listening to and participating in sensory recounts of the stories.

The fairies have also been taking part in daily phonics lessons, where the focus has been on letter recognition and letter formation.

In Maths, our focus has been on number formation and recognition. We also began looking at simple addition using numicon.

Our fairies have also been spending their afternoons in inclusion, where they have taken part in PE, Computing, Music and IPC lessons.

We are looking forward to more exciting learning after half term!

*"The best inheritance  
a parent can give their children is a few  
minutes of their time each day."*
