

# Fairy class update

What a wonderful half term we've had! Our amazing fairies have worked really hard in all areas and we are so proud of their brilliant learning.

In Literacy, we have continued our learning on familiar stories (The Gruffalo, Room on the Broom and Whatever Next). The children have enjoyed listening to and participating in sensory recounts of the stories. We have also done a lot of work using colour semantics to write sentences and we have been learning Makaton signs to help us retell the story.

The fairies have also been continuing with daily phonics lessons where they have had the opportunity to read and CVC words and begin to recognise our tricky 'red' words.

In Maths this term, we've been looking at measurement and recently the focus has been on money. The fairies have enjoyed Mr Brennan setting up a little shop in class and using their money to purchase items.

Throughout this half term we have also been doing a lot of cooking and art. We have also focused a lot on Makaton and building our social skills with circle time and peer songs. We cannot wait to see the amazing learning our fairies will do in the Spring term.

*"Behind every young child who believes in their self is a parent who believed first."*
