

## Elf Class Update

Last week, in Literacy we wrote an information text all about our school! We used the school website to find out facts about the school such as how many teachers there are and what subjects are taught. We used lots of skills including using capital letters for proper nouns, using full stops or exclamation marks in statements and also using adjectives to describe nouns! We are working so hard in our writing and Mrs Potter is very proud of us! Have a look at some of the amazing writing that we have produced below!

In IPC, we have been learning about the weather and climate in the United Kingdom. We learnt about the capital cities in each country within the United Kingdom and then decided what kind of climate we had here in the UK. Following this, we compared weather in the UK with lots of different countries around the world. It was very interesting! We then looked at different extreme weather that can be found around the world.

We have also been working hard on practising for our Year 1 assembly which is all about Wesak Day. This will be held on Thursday 12<sup>th</sup> May at 2:30pm. We have learnt that it is a very important festival in the Buddhist faith and it is the Buddha's birthday. Buddhists celebrate by visiting a temple and placing gifts by statues of the Buddha. We also learnt about some of the main symbols in Buddhism such as the lotus flower and wheel of life.

Thursday 10<sup>th</sup> 19<sup>th</sup>

LI: To write the main section of an information text	AoL: Literacy
SC: IWBAT	
1. use capital letters for proper nouns 2. use a range of time connectives to order events Purple	1. use full stops at the end of sentences 2. use time connectives Golden

Purple		Golden
3. start sentences in a range of different ways ✓		3. use sounds to write words of pictures shown

I      Lf

I   enjoy   love   playing   friends   subjects   lunch   playground   dog

exciting   interesting   incredible   educational   delicious   wondrous

In conclusion school is amazing!  
 My favourite subject is PE because it is exciting.  
 I love playing with Al-habib and Aayman in the playground.

because they are fun friends!  
 In addition I love eating lunch at school particulary when it is pizza!
