

Gremlin Class Update

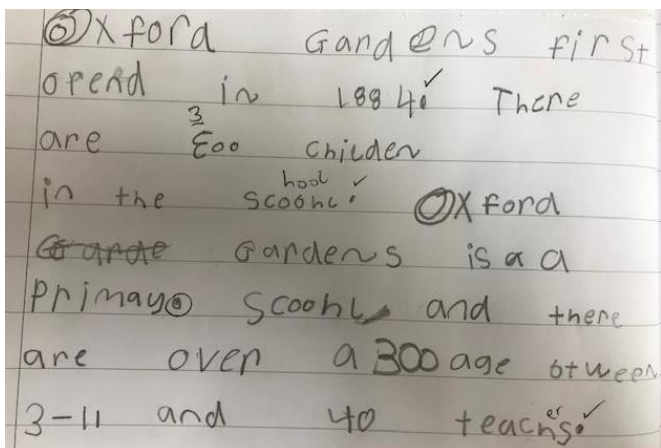

This term, the children have been learning all about the local area in literacy and IPC. This week, the children have been writing information texts about London and Oxford Gardens. In IPC, the children have been learning how to use maps and locate key landmarks in their local area. Additionally, they created their own information leaflets about Kensington & Chelsea.

London is the largest city in England. It is home to just over 8 million people. London is the capital and lots of tourists come to this city to explore the diverse food and culture.

The uniform is blue and yellow. Oxford Gardens was built over 100 years ago! Miss Cooper joined in 1997 and it began

Oxford Gardens first opened in 1884. There are 300 children in the school. Oxford Gardens is a primary school and there are over a 300 age between 3-11 and 40 teachers.

In maths, the children have been learning all about place value, in addition to counting and writing numbers from 0 and 100! This week, the children have been working hard to practise their assembly, and are very excited to showcase their work next week!
