

Pixie Class 20.10.2023

What a lovely start to the year. We are really lucky to have such a wonderful dynamic class. The children have settled in beautifully. They are now used to our daily routines, sitting well on the carpet and concentrating on their learning.

Our topic is 'My World' which is an exploration of who we are, how we feel and what we like. This has given us the opportunity to focus on PSED and support the children with their socialising skills, emotional well-being and helping them to develop a positive attitude towards learning.

In literacy we continue to read lots of stories and focus on characters and settings. We especially enjoyed this week's story of 'Goldilocks and the Three Bears.' When you are reading to your child, you should ask them to tell you the story. They have been so good with the language around the story!

In Maths, we have been concentrating on number and size. It would really help if you reinforced their number knowledge throughout the half-term break.

We appreciate all the support you have given us throughout this first half term, and we are really looking forward to working with the children after this short break.

regards

The Nursery Team
