

Unicorn class

This week we have done lots of amazing learning! In maths, we have been learning how to use the part/whole model to complete subtractions. In Literacy, we have been reading Farmer Duck and writing letters to him.

Today we celebrated Divali! We learnt about the story of Rama and Sita and about how good overcame evil. This is why Divali is the festival of light. During the day, we took part in a number of activities:

We made chapattis and milk pedhas.

We used dyed rice to make rangoli patterns.

We made Diva lamps to show how Rama and Sita found their way home.
