

Gremlin Class
Web Update: 08.05.2019

Literacy:

In Literacy we have been reading the fantasy story "Leon and the Place Between". We wrote persuasive invitations to our own magic show and then created our own fantasy settings, which we will be using to help us write our own stories!

Maths:

In Maths we have been learning about place value. We know how to find the tens and ones in a number and represent them using dienes. We have also practiced sequencing numbers from greatest to smallest and explaining how we know.

IPC:

In IPC we are learning about people from the past. For our entry point we all came to school dressed up as a famous historical figure and had a tea party! We have learnt lots of interesting facts about Florence Nightingale, Neil Armstrong and Christopher Columbus.
