

Gremlin Class: End of Year

What a wonderful year we have had in Gremlin Class!

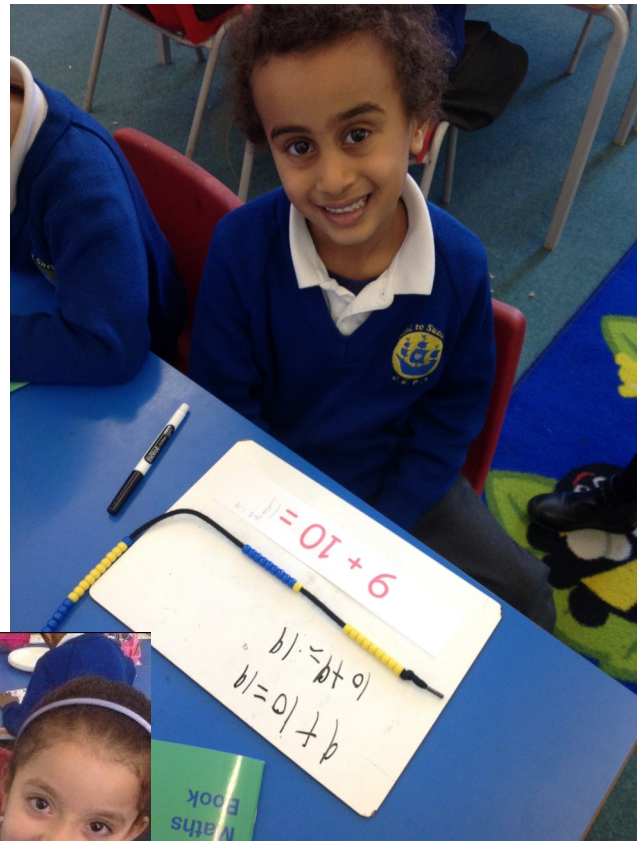

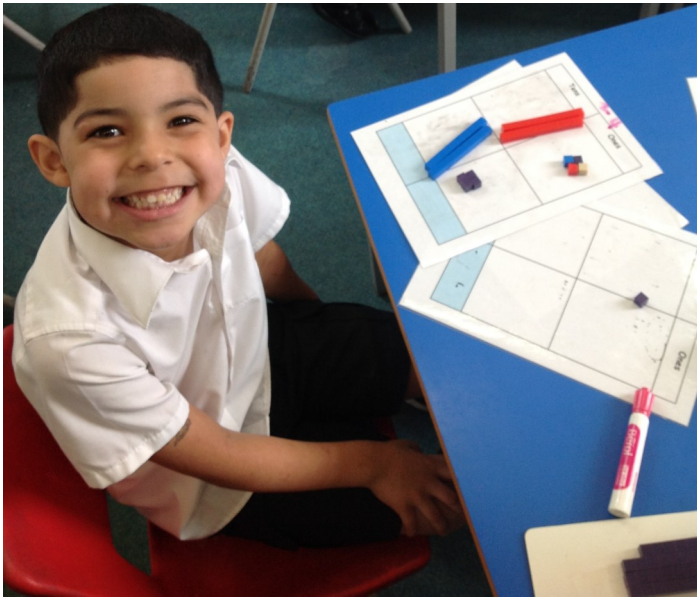

We have been on some amazing trips which have brought our learning to life!
Many thanks to our wonderful parent volunteers who have supported us over the year, you have been amazing!

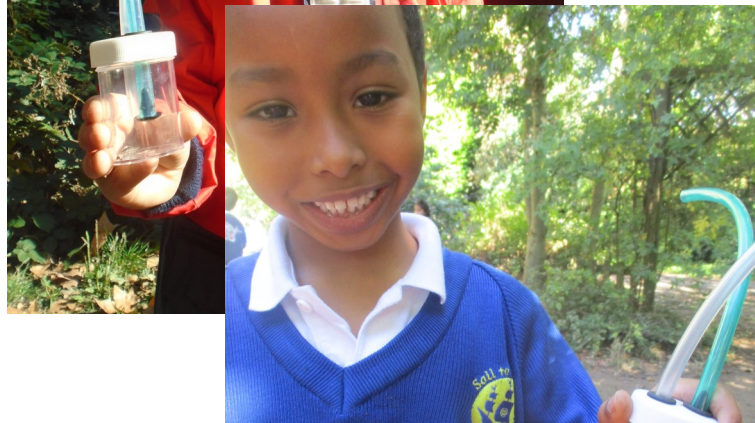

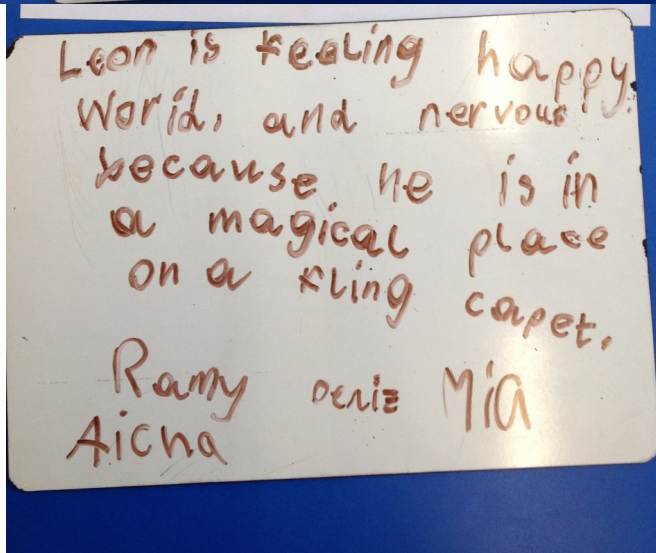

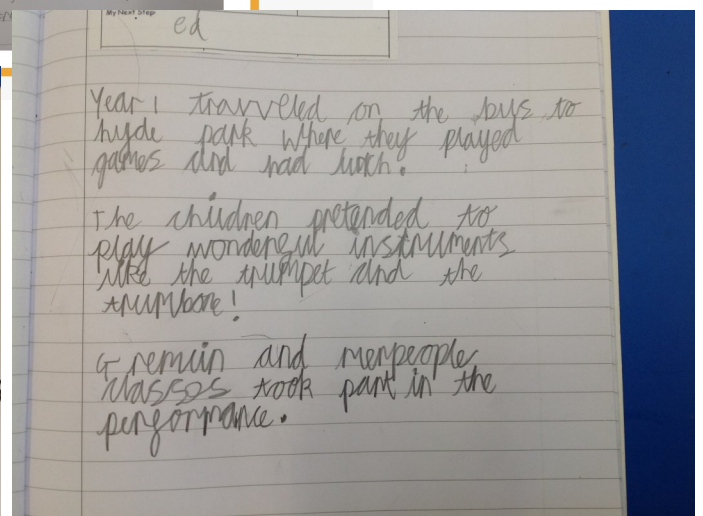

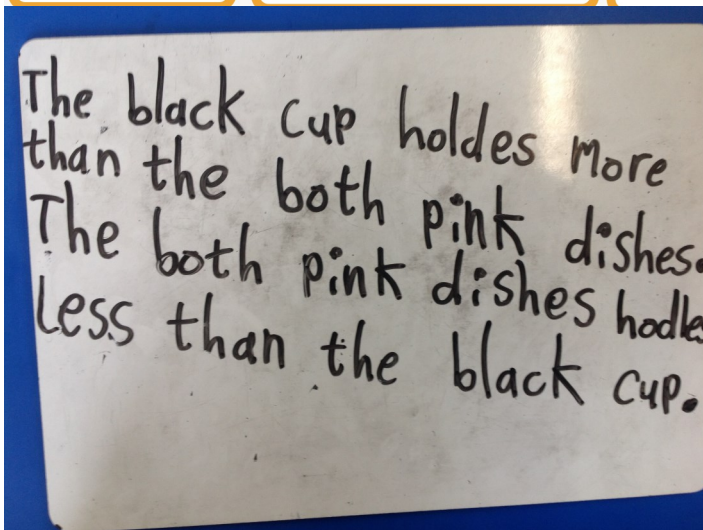

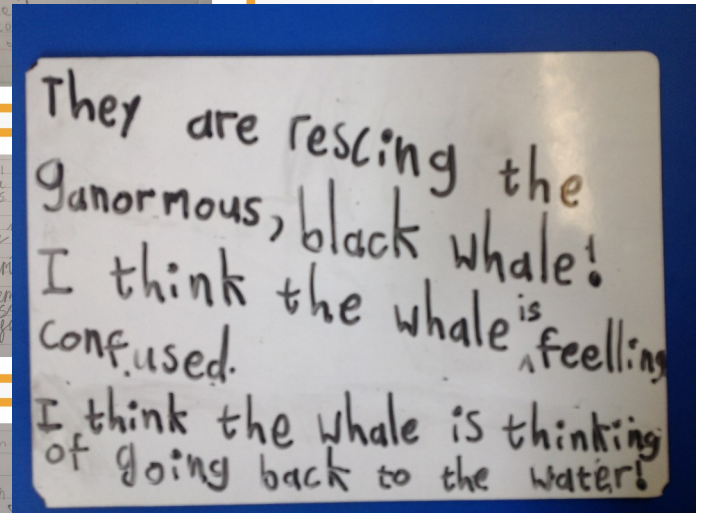

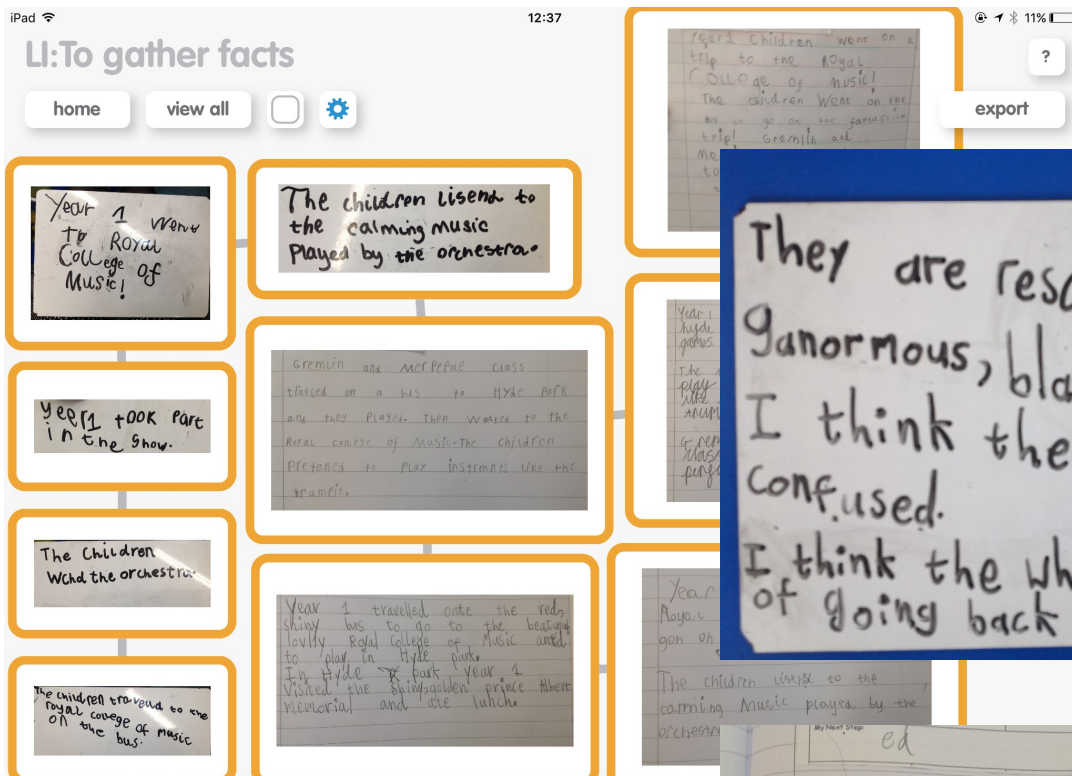

We have made so much progress with our Maths this year. We learnt to tell the time, divide amounts , explore capacity and lots, lots more!

We were lucky enough to go to Forest School in the Autumn Term where we did amazing outdoor-inspired learning!

Our reading and writing is brilliant! We have used our Growth Mind sets to keep pushing ourselves and we've made amazing progress!

Our IPC topics have been great & we have had lots of fun being really creative!
From Science and History to Technology and Geography, we have learnt such a lot this year!

We have had the most wonderful time in Gremlin Class this year. We have worked together, made new friends and pushed ourselves to be resilient, confident and innovative learners.

We are so proud of you Gremlins. Have a wonderful holiday and enjoy Year 2!

Keep being brilliant!
