

Merpeople Class

Web Update: 13.02.19

Literacy:

In Literacy we have been writing our own adventure stories! We used the story of Little Red Riding Hood to help us plan and structure our stories and we then created our own heroes and baddies! Poor Grandma has been turned into a frog, locked in a cage and thrown in the bin! Luckily, some very friendly teachers, woodcutters and policemen made sure she lived happily ever after!

Maths:

In Maths we have been learning about place value. We have been using dienes to represent the tens and ones in 2-digit numbers and record them on a place value chart. We have also started using dienes to sequence numbers from greatest to smallest.

IPC:

In IPC we have been making board games! We learnt about the history of the board game and discussed our favourite board games at home. We then made pairs games, snakes and ladders and path games, all with different themes!
