

## Merpeople Class

Web Update: 29/01/2019

In IPC we have been learning about puppets!

First we explored the history of the puppet and learnt that puppets have been a popular toy since the Victorian times! Then we looked at the different types of puppet - finger, glove, shadow, body and marionette - and thought about how they work and what makes them so much fun to play with!

We then designed and labelled a sketch of our very own sock puppets before using different art and craft materials to make them!
