

Year 2 Web Update 07.12.20

Year 2 have been working really hard this half term!

In Maths we have been learning about multiplication and division. We have been practicing our 2, 5, 10 and 3 times tables and writing related multiplication and division facts.

In Literacy and IPC we have been exploring maps of our local area and writing information texts about London. We created leaflets with catchy headings, sub-headings and interesting facts and published our work for display.

Here are some examples of our wonderful work!
