

Gnome Web Update

Gnome Class have had a brilliant start to Year 2 and we have been working really hard in all our subjects.

We have been re-telling traditional tales in Literacy and writing our own versions of the Three Little Pigs! In Maths we have been learning about place value, odd and even numbers and addition. In IPC we have had lots of fun exploring the properties of materials in Science and designing and making bridges in DT.

Take a look at some of our fabulous work!
