

Gnome Class Update

Gnome Class have had an excellent half term and we have been working really hard in all our subjects.

We had a chance to show off all of our writing skills by writing a set of instructions to make a sandwich for the Big Bad Hungry Pig! All the children wrote wonderful instructions and used lots of bossy verbs and adjectives. In Maths we have been focussing on a range of skills to help us with our place value. We have been learning to use the column method to help us add and subtract. In IPC we have been designing and making our own buildings as well as researching what it was like to travel to school in the past.
