

# Gnome End of Year Review

It has been a wonderful year in Gnome class. The children have been amazing; so positive and enthusiastic throughout the whole year. We have enjoyed days such as World Book Day, International Day and Sports Day.

We have enjoyed the IPC topics. All of us enjoyed dressing up for Stone Age Day and making fruit stew. Recently, we have been doing lots of cooking. We made Greek Salad and delicious buttermilk scones.

We have enjoyed planting a range of herbs in IPC for the Exit point. We used these in our cooking this half term.

Gnome class have enjoyed doing Maths investigations and experiments linked to IPC. This has challenged us to be more reflective learners.
