

Goblin Class 2017-18

Review of the Year

We have had a tremendous year in Goblin Class! The children should be extremely proud of all of their achievements, the progress that they have made and the dedication they have shown to improve as learners. They have tackled everything with a smile. Here are some of the best moments...

Autumn Term

We visited the Natural History Museum for our 'Super Humans' topic and Westminster Abbey for our 'Buildings' topic.

We got to visit the Wonderlab at the Science Museum and were invited to a private screening of 'Sing' at the Electric Cinema. We also started Art lessons with Rosie which continued throughout the year.

Spring Term

We visited the London Eye for our 'From A to B' topic and the National Portrait Gallery for our 'People of the Past' topic.

We also got to visit the Globe, Kew Gardens, Daunt Books and Pizza Express... what a lot of trips! We loved dressing up as our favourite book characters for World Book Day and as rock stars for World Maths Day!

Summer Term

We worked hard to prepare for our SATS and took advantage of the hot weather to do lots of outdoor learning.

We ended the year with smiles still beaming, showing team spirit at Sports Day!

Your teachers will miss you next year but we wish you the very best of luck in Year 3... we know you will be fabulous! Have a wonderful summer ☺
