

Year 2 Web Update

Year 2 have had a brilliant half term and done some amazing learning!

In Literacy we have written instructions, stories and poems and in Maths we have been learning about place value, how to count in 2s, 5s, 10s and 3s and how to do column addition and subtraction.

We have also been very busy in IPC learning all about materials and structures and we have done some fab work in Phonics, ICT and PE too!

Iggy built a crunchy,
crumbly little tower
of chalk. Meanwhile his
teacher said go for
a go for a walk
and don't talk. Iggy
felt sad and missed
his mum. He really
didn't like feeling
glum.
