

Giant Class Web Update

Stone Age Day!

Giant class have really enjoyed learning about The Stone Age and took part in an exciting Stone Age Day! We dressed up as Stone Age humans and animals and found out what life was like for people during this time in Prehistory. We created caves and then sat in them to draw cave paintings, we made tools from sticks and rocks, pots from clay and jewellery with beads, shells and bones (pasta) and we then tasted a traditional Stone Age stew, cooked by some of us!

We had a fab day and really enjoyed experiencing what life was like 2.6 million years ago.
