

Giant Class End of Year Review

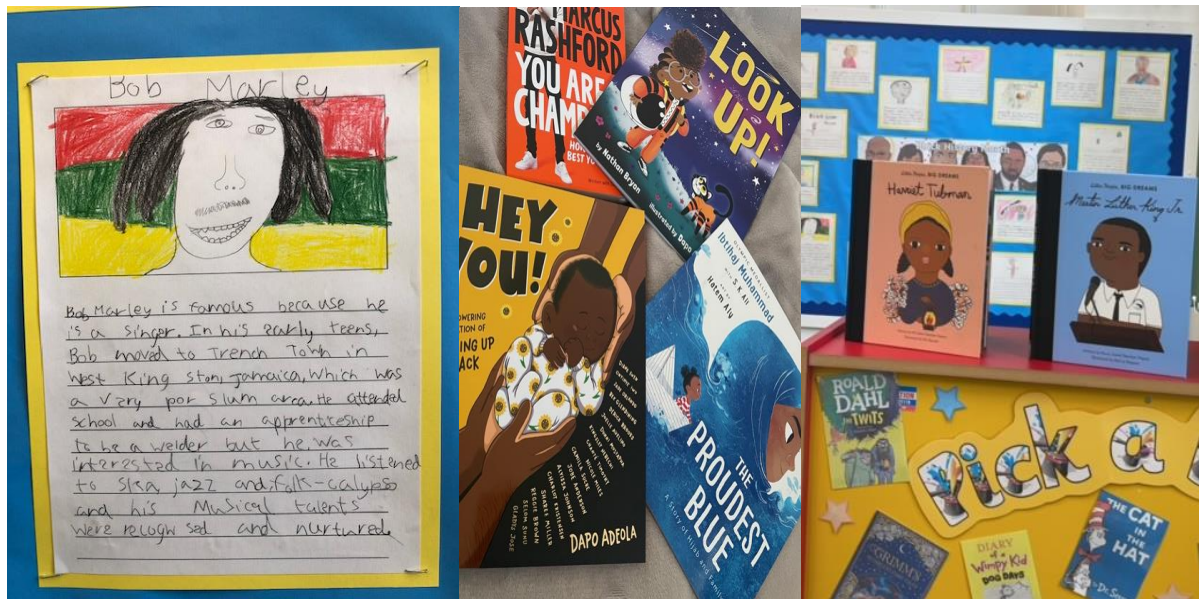

We have had a fantastic year in Giant class and can't believe that it's come to an end so soon! We have really enjoyed our time together and made wonderful progress in our learning. Below is a collection of our highlights from the year:

Our IPC topics were very exciting and allowed plenty of opportunities for creativity during each of the units; Footprints from the Past, Active Planet and Different Places, Similar Lives. Over the year, we have made clay dinosaurs, explored fossils, conducted scientific experiments, drew tessellations, cooked and baked!

We celebrated Black History Month and read a diverse range of books.

We visited St Marks Park as an end of term merit treat where football fever gripped the children just as it did the nation during Euro 2020.

Finally, we ended the year with a fun and exciting Sports Day!

As you can see, we have had a wonderful year in Giant class! We hope you have a lovely and restful summer break and we look forward to welcoming you back in September.
