

Giant Class Update:

Giant Class have been working really hard over the last few weeks!

Last week we were also lucky enough to have a Tech fest in our school. The children were able to spend the morning learning all about computing, algorithms, computer programs and how to use Beebots. We also explored coding by giving 'Mr Beard Man' instructions to different locations to dance, they were able to use directional language and even debugged some super hard problems.

U N I T E D K I N G D O M TECH-FEST
