

In Troll Class this week, we have focused on writing a diary entry in the perspective of a character within our book. We organised our information into paragraphs and used fronted adverbials on time to link them. In Maths we have focused on measuring and recording length as well as finding the perimeter of shapes with up to 6 sides.

Additionally, within the week we have learned about the different events from the Stone Age and Bronze age. Here we have put the information onto a timeline to represent how the Stone Age and Bronze Age differ.

Troll Class did such an amazing job this week. Well done Year 3!
