

Love to
Learn

In troll call this week we have focused on writing our own story. The children have done some amazing writing and made sure they included a range of adjectives, adverbs and similes. They have all worked so hard and are very proud of the stories they have written.

Also, within the week we researched dinosaurs from different eras. We became experts on what they look like and if they are carnivores or herbivores.

As you can see Troll did such an amazing job. Well done Year 3!
