

Troll Class

Troll class have been busy working hard and enjoying school life this half term.

In Maths we have consolidated our addition and subtraction knowledge and have recently been focusing on measurement and finding the perimeter of simple 2D shapes. In Literacy, we have been enjoying reading and watching Peter Pan. We have been writing character and setting descriptions based on the main characters with a special focus on figurative language.

We have also enjoyed some exciting opportunities. We had the chance to select free books from the Children's Book Project, take part in Tech Fest where we worked with robots, and met Father Christmas. What an exciting half term!

*We can't wait to spread some festive cheer at our
Christmas Concert on Thursday 15th December!*
