

Year 3 had a fabulous end of project celebration where we invited adults to visit our museums. We became tour guides and showed people around and explained all the learning that we have done this term for our topic, 'Footprints from the past'.

It really was a wonderful atmosphere and we were very grateful for all of the visitors, who came to see us. You can see some of children demonstrating how to play their homemade Top Trumps cards below. We were left some wonderful feedback by the visitors to our museum, and the whole afternoon was a great success.
