

Troll Class - End of Year Update

It has been a fantastic year in Year 3. In spite of lockdowns and other restrictions, everybody has persevered and enjoyed a wonderful year, full of light, laughs and learning! The children of Troll class have truly been a joy to teach, with incredible enthusiasm, positivity and thirst for knowledge, I wish them all the very best for the future.

Over the course of the year, the children have enjoyed the variety of IPC topics, which have allowed them to learn creatively: from making clay dinosaurs, to carrying out interesting science experiments, to baking scones and cheese biscuits.

Troll class have also enjoyed our class texts this year, notably 'Peter Pan' and 'Jumanji', which has inspired some fantastic writing from the children.

Along with this, Troll class have continued with their passion for Maths!

Have a fantastic summer!
The Year 3 Team
