

Love to  
Learn

Troll class have had an amazing year! It has been lovely teaching such a wonderful class that show a love for learning every single day. We have worked very hard in Math when learning about fractions, angles and solving multi-step word problems. Their writing in Literacy has improved immensely! I have loved reading their work as it always includes a range of fronted adverbials, expanded noun phrases and subordinate clauses.

Troll class have especially enjoyed IPC as we have learned about lots of interesting topics, such as light/shadows, healthy eating and dinosaurs. International day was one of our favourites because we got to experience what life would be like in Ecuador and all the fascinating tradition they have.

Well done Troll class, you have all worked so hard and I hope you have a fantastic summer!
