

Year 4 have had a brilliant start to the school year.

During our IPC lessons, we have been learning all about the Anglo Saxons. We have been becoming historians as well as designers and spent some time weaving our own cloth the way Anglo Saxons would have done.

In Maths, we have been working hard on our calculation whilst during Literacy lessons, we've concentrated on writing newspaper reports.

Over the past two weeks, we have been rehearsing for our Diwali assembly, which will be posted on Seesaw next Monday. Look out for it there. It includes our art work, a short play and even a dance!

Below, you can see the diva lamps that we made for the assembly. We are looking forward to painting them tomorrow.
