

Year 4 Website update.

We have been having lots of fun with our learning this term in Year 4.

In IPC, we have continued to learn all about the Anglo Saxons and the Vikings in our topic, 'Building a Village'. Last week we studied the Anglo-Saxon tale of Beowulf. We designed and made puppets based on the characters in the story.

During Literacy, we have moved onto persuasive writing. This week, we have been trying to persuade Madam Mim from, 'The Sword in the Stone' to give up her evil ways and use her magical powers for good.

In addition to this, we have been learning about mental methods and formal written methods to multiply in maths and we are becoming more confident with these.

Today was Anti-Bullying Day. As well as learning all about anti-bullying, we wore odd socks to show our support of Anti Bullying Week 2020.

Some of us even made our own as you can see below!
