

Dragon

Dragon class have had a wonderful year and can't believe it's time for the summer holidays already!

We have had a brilliant time together and have taken part in lots of fun activities and great learning.

Below is a collection of some of our highlights from the year:

IPC Temples, Tombs and Treasures! We took part in a treasure hunt and explored ancient Egyptian treasures.

We explored how bodies work during our IPC topic 'How Humans work'

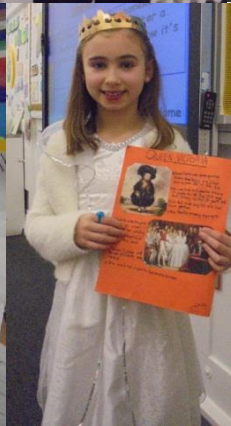

We completed hands on investigation into how our digestive system works.

We dressed up and researched significant people for 'They made a difference'

We visited The V&A museum and explored The Great Exhibition and some of its marvellous inventions!

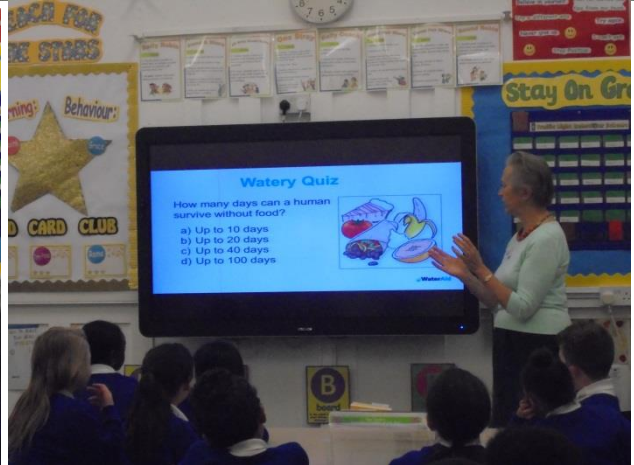

We explored London Zoo for
our IPC topic 'Land, Sea and
Sky'

We took part in some fun tropical island activities as part of our entry point for 'Island Life'

We took part in the water challenge and a wonderful workshop courtesy of The Water Aid Charity.

We were invited to the
Westway tennis festival and
had lots of fun!

During one of our Primary Futures events based around science we were able to discover a range of different professions in the field and ask the lovely professionals interesting

We've had a fantastic time in Year 4!
Wishing you all the best over the summer holidays, have a fantastic break!
