

# They Made a Difference Entry Point

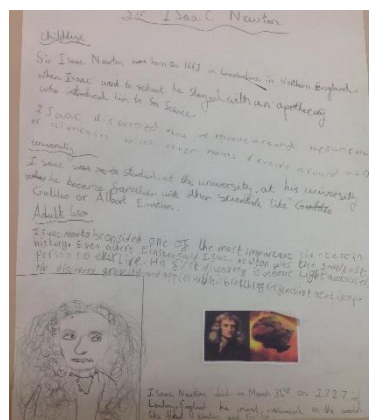

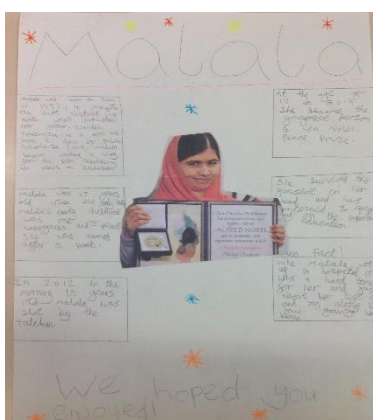

We started our entry point with a Fashion show, and then a presentation of all the significant people we had dressed up as. These included Martin Luther King, Mary Seacole, Barack Obama, Princess Diana, Nelson Mandela, Malala Yousafzai and Cleopatra.

We then had a closer look at six significant people from history and discussed the impact that they have had on the world. Then we put them on a timeline:

We researched a particular significant person and created a fact file about them.

We had lots of fun!
