

## Centaur Web Update

In Literacy, we are near to finishing our story 'The adventures of TinTin – The Secret of the Unicorn'. This term, we have focused on writing newspaper reports and recounts. For this, we have had to practice writing in past tense as well as remembering direct and reported speech. As a class, we have enjoyed finding out all about the secret of the Unicorn and seeing the adventures that Tintin has and cannot wait to watch the movie in full.

In Maths, our focus has been on percentages, fractions and decimals as well as calculating areas and perimeters of regular and irregular shapes. We have now consolidated our learning for the year and had the chance to work in groups to create our very own board game, which included some fun mathematical challenges and problems.

This term in IPC, we have continued looking at our topic 'Going Global'. We have learnt a lot about landmarks, different cultures and had the chance to learn all about imports and exports. Alongside this, we have understood the features of a topographical map and had the opportunity to sketch our own maps of the local area. We have also become food technologists, where we looked at recipes and dishes from around the world and even had the opportunity to make our own flapjacks – yum! We cannot wait to do our exit point and showcase our wonderful learning to our parents!

As a class, we have also had many exciting things happen this term. We have taken part in Tech Fest, which is always a fun day as we explore technology and learn how to keep ourselves safe online.

We have also encountered a visit from the fire brigade and had the chance to take part in the annual international day carnival – we all enjoyed this day and the preparations leading up to it. Recently, we have been joined by a caravan group, who came into complete a story writing workshop with us.

Another great but very competitive day we had was at the KS2 sports day, this is always great fun and it was lovely to have so many of our parents there supporting us!

As we now prepare to finish year 5, we are looking forward to our summer merit treat and we are excited about starting the new chapter in September.

This has been an incredible year and we are so proud of our achievements! Thank you to our wonderful parents for always encouraging and supporting us during our time in year 5!

Have a wonderful summer break!
