

# Griffin website update.

Griffin have had a wonderful Spring 2 half term. We were delighted to be the winners of Robot Week, where our class team came up with a robot that supports firefighters in putting out fires. As a result, we look forward to a trip to the IMAX at the Science Museum in the Summer Term as our prize. You can see a picture below of our winning tea and robot.

In addition to this, we have come to the end of our learning around Percy Jackson and the Lightning Thief linked to our IPC topic, 'The Great the Bold and the Brave'. We have worked hard as a year group to welcome adults to our museum in the lower hall on Thursday where we will be celebrating all of our hard work.

Our trip to the planetarium at Greenwich was one of the best bits of this half term and we learnt so much about space as well as having lots of fun!

Red Nose Day was also a highlight of the Spring Term and Griffin class came up with some wonderful acts. Ruben and Honey and Maram were voted through to the finals and put on an excellent performance in front of the whole school.

We hope you have a restful Spring break and we look forward to seeing you in the Summer Term.
