

# Year 6

## 2018-2019

### End of year review.

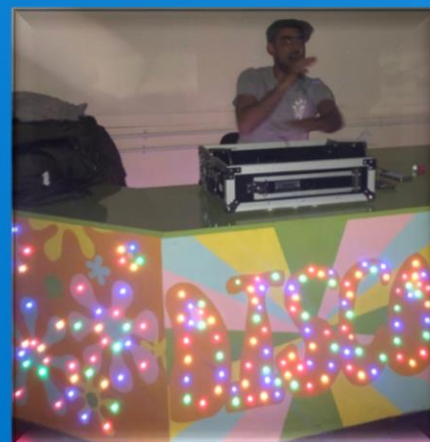

Year 6 have had an extremely busy final year at primary school, filled with fun learning opportunities, laughter, friendship and a lot of hard work! From a fantastic residential in October, to working hard for their SATs and ending the year with fun events such as Legoland and the prom-it has been a year to remember.

We would like to wish all the Year 6 children the very best for their transition to secondary school in September.

The following pages show a few highlights from the year.

# Residential at Sayers Croft

# Somerset House

# Imperial War Museum

# Readers' Cup Final

# IPC Migration topic entry point
